

Full Moon Rising

Ingredients:

2 oz. Brandy

1 ½ oz Robert Lambert Deep Dark Chocolate Sauce

½ oz Robert Lambert Bergamot Syrup

5 Ice Cubes

1 Melon Ball Size Scoop of Vanilla Ice Cream

Instructions:

In a blender, mix the first 4 ingredients at high speed for 20-30 seconds. Pour into a 4 to 6 oz glass of you choosing (stylish and stemmed is recommended). Add the vanilla ice cream ball on top (it will float on its own and look like a Full Moon in the center of this deeply flavorful cocktail).
